Dear Mr. Minister:

Thank you very much for your kindness in sending me a copy of the history of Lithuania. I enjoyed reading the book tremendously and have learned much more about Lithuania than I ever knew before. As you know, there are very few good histories of Lithuania in the English language, and therefore I especially appreciated it. It is easy to read and certainly, as far as I am concerned, most informative.

Please accept my sincere thanks again and believe me,

Sincerely yours,
